Notes:	
Router is supplied and managed by us with no end customer access	
All equipment supplied by us remains our property	
EITHER slow down to dial up speed once you reach your data cap OR pay the excess data at the rate shown in add-ons above	
All services not available in some areas - some sites will need free verification as to which services are available	
NO term contracts apply - However a 30 day notice is required for disconnections	
Our services will not work if there is a power cut unless you have a UPS or backup power supply (contact us for pricing)	
<i>Remote locations where Fibre, VDSL or ADSL not available- Satellite and Wireless broadband - please apply for pricing</i>
